I was listening to "Jasmine Flower" on 'Village Tales' and was so enthralled with your singing and the melody that I went on the Internet to see what a Jasmine flower looks like. I was in Calgary last week and went to a nursery and was able to buy a potted Jasmine plant. I took it to a senior's home where I volunteer and presented to the residents. It will bring them joy and I'll be able to see it when in blooms. Thanks very much for having your music inspire me to do something nice for some nice elderly people.
